Residents are reminded that Monday, April 27, is Bethel's Annual Clean-Up Day. Highway Department crews will begin picking up waste materials at 8 a. m. All materials must be placed at the side of the road and materials should be placed in plastic bags or other disposable containers. Brush should be tied in bundles and all waste materials should weigh no more than can be lifted by two men. Persons having materials weighing more than what can be lifted by two men should contact Bob Davis at 824-2370 to make special arrangements.

The Airport Advisory Committee met Wednesday evening, April 15, at the Town Office with Robert Ballow, the Town's consultant on the Airport Master Plan. Mr. Ballow reviewed the results of additional planning efforts with respect to feasible runway alignment alterations. The Committee is placing emphasis on defining runway alignment alternatives in order that the town can decide whether to exercise its option for an additional 400 foot wide strip of land on property behind the present airport. The Town's option on this land, which is no cost, will expire in 1983. The Committee directed the consultant to review the alignment of the preferred alternative with State and Federal

M. S. A. D. 44 BOARD TO MEET MONDAY EVENING, APRIL 27

The Board of Directors of S. A. D. 44 will meet at the Telstar Library next Monday evening, April 27. The directors' session will be held immediately following the NOVA budget hearing scheduled for the Lecture Hall at 7 o'clock. Agenda items will include a vote to request consideration of the building construction project; first reading of policies concerning dissolution of the Extra Curricular Committee and the creation of an Education Committee, as well as initial action of "Minimum Standards for Pupil Transportation" and revisions of policy concerning "Extra Curricular Bus Runs." Action on the appointment of a 52-week bus driver is also to be requested.

ANDOVER WOOD PRODUCTS AMONG LUMBER FIRMS EXPLORING FOREIGN MARKET

Andover Wood Products, Inc., Lovell Lumber Co., Inc., and nine other lumber firms will meet interested buyers of hardwoods and softwoods in Belgium, the Federal Republic of Germany, The Netherlands, and the United Kingdom as members of a New England trade mission to Western Europe.

Co-sponsored by the New England Regional Commission (NERCOM) and the Northeastern Lumber Manufacturers Association (NELMA), the mission, scheduled from April 25-May 8, will be the ninth in a series of international trade events sponsored for New England companies by NERCOM's International Trade Program.

The New England Regional Commission, comprised of the six New England Governors and a Presidentially-appointed Co-Chairman, promotes programs and policies designed to improve the economic health of the region. Governor Hugh J. Gallen of New Hampshire serves as this year's State Co-Chairman.

Lovell Lumber, which manufactures pine, spruce, hemlock, and oak lumber and lumber products, will be represented by its President and owner Edward F. Woodbrey. Woodbrey also serves as First Vice President of NELMA, and will represent the Association on the mission.

AREA CHURCHES TO HELP IN SPRING CLEAN UP SATURDAY

The Congregational Church in cooperation with other local churches is sponsoring a clean-up day on Saturday, April 25, starting at 10 a. m. This is to help people who are unable to do their spring cleaning chores by themselves. The churches will be sending out groups of workers, young and old, to help people with their raking of leaves, changing storm windows or other general cleanup tasks.

If you cannot do your spring cleanup chores by yourself, please call Alice Kimball, 824-2961, Marvin Ouwinga, 824-3304; Marlene Meyers, 836-3841, or Jim Chandler, 674-2963. There will be no charge or donations involved. This service is offered as a one day community service. You will need to provide the tools or materials needed to do your jobs.

People are also needed, young and old to help in this project. The more people, the more work can get done. If you would be willing to work come to the Congregational Church at 10 a. m. on Saturday, April 25. All you need to bring is a bag lunch.

NOVA BUDGET HEARING AT TELSTAR, APRIL 27

NOVA/Vocational Region 9 will hold a public hearing on the 1981-82 NOVA budget on Monday, April 27 at 7 p. m. at the Telstar Regional High School. The purpose of the hearing is to review the budget and answer any questions the public might have.

Potential Wastewater Sludge Disposal Site to be Topic of Informational Session

As part of the regular meeting Monday evening, April 27, the Bethel Board of Selectmen will hold an informational session on the possible establishment of a wastewater sludge disposal area at the former Town Farm property on Route #2.

During the past two years, the Town in conjunction with its consulting engineer, Dubois and King Inc., has looked for potential wastewater sludge disposal sites. From soil maps and other information available, 15 sites were preliminarily identified as possible sites. Following a more detailed review, half of those were eliminated as not meeting established criteria.

Early in 1980 a public hearing was held to discuss a site in West Bethel which best met the established criteria and on which detailed soils analysis had been done. Many citizens from West Bethel attended this hearing and expressed concerns about the future effect the disposal of sludge on this

site would have on their drinking water supplies as many felt their water supplies originated in the general area of the proposed site.

Following this hearing the Town has reviewed other potential sites and is proposing to do detailed soils analysis on about a 10 acre parcel on the former Town Farm property. This detailed soils analysis is necessary before any site can be formally approved. Several factors considered in tentatively selecting this site including its accessibility, distance from residential property and waterways, preliminary soil characteristics and the fact the Town currently owns the site.

Should the site be ultimately approved, the Town would propose to use a liquid application of sludge in a wooded area of the property. Monitoring wells would be installed on the property to track application processes, and the monitoring of sludge ground-water and solids would be done annually.

LAW ENFORCEMENT AND SAFETY COMMITTEE MEETS

The Bethel Law Enforcement and Safety Committee met on April 16. Discussion centered on the recent increase in noise and illegal activity in the center of town on week end nights. The committee hopes steps can be taken to prevent this from becoming a regular occurrence as the summer season approaches. To this end, law enforcement professionals will be invited to the next meeting, April 28, at 7:30 p. m. in the Town Office. The committee welcomes input from citizens with concerns and reminds all that the meeting is open to the public. Stanley Howe, chairman of the Board of Selectmen, was present, and plans were made for the Safety Committee to meet with the Selectmen within the next two or three weeks.

PARENTS' NIGHTS PLANNED BY KINDERGARTEN TEACHERS

Kindergarten teachers in M. S. A. D. #44 have planned Parents' Night at each of the elementary schools to meet parents of children entering their classes in September. A meeting for Ethel Bisbee School will be held on Tuesday, April 28, at 7 p. m. Woodstock kindergarten parents will meet at 7 p. m. on Wednesday, April 29, and in Andover at the Elementary School Thursday evening, April 30 at 7 o'clock.

Parents who have received developmental questionnaires should complete and return them to this meeting. Appointment schedules for the screening program will be made at these meetings, also. Parents who can not attend a meeting are asked to make their screening appointments with their school secretary.

The screening program to be held the following week enables the school staff and the parents to get ready for an easier start for each child in the Fall.

Screening dates are: Tuesday and Wednesday, May 5 and 6, Ethel Bisbee School; Thursday, May 7, Woodstock and Andover Elementary Schools.

NOTICE

Little League and farm team registration only will be held on the upper field at Crescent Park School, Saturday afternoon, April 25, 1 o'clock. Rain date: following Saturday.

T. T. A. E. R. S. FORM AUXILIARY

An auxiliary, designed to support the activities of Tri-Town Ambulance and Rescue Service, has been formed. Their purpose will be to relieve active ambulance personnel from many time consuming tasks such as fund raising and planning recreational activities, and to give the service a feeling of unification.

This first event to be sponsored by the Auxiliary is planned for the latter part of May. It will be a competitive bake sale between the four towns to determine which of the "town cooks" can raise the greatest amount of funds. Following that will be a June 7 Walk-a-thon which will include all ages of children and adults.

Meeting night for the Auxiliary will be the first Tuesday of each month.

The dance held recently in Locke Mills was a success with proceeds reaching nearly \$250. This included a fund raising project consisting of the awarding of a beautiful ambulance cake made by Bethany Bean. Proceeds from the house to house canvass are now over \$6,000, but more funds are needed before another ambulance can be purchased. Support of all residents of the communities in the T. T. A. E. R. S. area is requested.

Saturday, at 1 p. m. the Pals will be playing in the Awana Olympic Finals at the National Guard Armory in Augusta.

Sunday, April 26, at 6 p. m. there will be an evening of gospel music for the whole family by the Singers, a group of five from Boothbay at the Baptist Church.

Sunday, May 3, there will be a Gideon speaker at the morning service at the Baptist Church.

There will be a W.H.S. Alumni meeting on Tuesday, April 28, at 7 p. m. at Larry Whitman's. Come help plan the Banquet and write the invitations.

Any Telstar senior who has a parent or grandparent who graduated from Woodstock High School may apply for one of the \$50 scholarships W.H.S. Alumni give. You may do this at the Guidance Office.

Helen Ring, Beatrice Farnum, and Alice Hoyt spent Tuesday in Portland on business.

Mr. and Mrs. Linwood Ring spent the week end in Freeport visiting their son and family, Mr. and Mrs. Arthur Ring.

Mrs. Beatrice Farnum, Mr. and Mrs. Kenneth Hoyt, JoAnn, James and Bobby, town, and Beth Hoyt, Berlin, N. H., had Sunday dinner with Mr. and Mrs. Robert Stevens, Keith and Jennifer, and Mr. and Mrs. John Chase, and Andrew and Crystal, at Locke Mills.

Don't forget when you clean house, the D.U.V. Food and Rummage sale to be held Wednesday, May 6, at the Grange Hall. Any white elephants or clean, whole clothing is welcome. This goes toward Memorial Day expenses.

Franklin Grange met on Monday, April 20, for Open House for Citizenship Awards and Booster Night. There were visitors from Rumford Grange, Newry and Mystic Valley and 18 non-members present. Elden and Barbara Hathaway received the Citizenship Award for their many years in the telephone company as well as other things. Mrs. Hathaway was unable to attend because of illness. The program consisted of a song; a pageant; reading about youth in the Grange; award presented with different ones telling things about Barbara and Elden; musical number by Elden Hathaway, Carl Brooks, Richard Felt, Bill and Ernestine Riley; game by the young people; slides on the Middle East by the Rileys; closing thought and closing song. Refreshments were served and more music was played. Next meeting will be a three point meeting at Franklin Grange on May 3.

Mr. and Mrs. Louis Scotte were Easter guests of her daughter and husband, Mr. and Mrs. Robert Sargent, Jamaica Plain, Mass.

Northwest Bethel - West Paris

Clarice Gibson, Corres.

Today is a day that many Maine and Massachusetts people celebrate as Patriots Day. Yesterday was Easter Sunday, the day of Resurrection. Spring is not only the time of our Lord's Resurrection, but also the time, at least here, of the revival of plant and tree life. It also brings back many of our feathered friends, who during the snow storm Tuesday were often coming up onto the porch to not only get out of the snow but also hoping for a meal. Wednesday Frankie and I went down and had dinner with the folks, Mr. and Mrs. George Allen, Norway. This was a clear day but the wind blew hard and one did not enjoy getting out of the car to try shopping. Thursday we once again had snow squalls and Friday evening and Saturday morning rain. Easter Sunday, though, was a lovely day and even though it was cold for sunrise services by mid-morning it had warmed up. Friday Jim called from North Andover, Mass., to tell us he had gotten a promotion on his job. Saturday, Ira called from California and Wilfred radioed from Okinawa. Ira called again Sunday as Monday he would be leaving for Japan, going up through Alaska. Frankie, Grace and Theresa came for a visit Saturday evening and we had George and my folks for a traditional Easter dinner of ham and eggs. George went to Lewiston Saturday and then went to my brother and family, the Danny Allen's, Canton. Danny's wife, Shirli, is showing George the way to do tole painting.

Mr. and Mrs. Frank Murphy had a lovely surprise Easter morning when Mr. and Mrs. Mike Annis and Shari called to wish them a "Happy Easter". Their son, Dean and family of Sebago also called over the week end.

Mr. and Mrs. Robert Stearns and Vivian Barlow were Easter Sunday guests of Debbie Seames and family.

Mr. and Mrs. Homer Smith Jr. had Bruce Smith and Tim Cousins of South Paris for Sunday dinner. Doug Smith also came up in the afternoon to help his brother on a truck he is working on.

William Penner of Plattsburg, N. Y., spent the week end at his camp and visited Mr. and Mrs. Leslie Lapham. Mr. Penner will soon be coming back to spend the summer.

Mr. and Mrs. Frank Benson went to Augusta Sunday to have dinner with Frank Jr., and family.

Saturday afternoon Sylvia Benson took Joan Coolidge, Elsie Inman and Dora Ford of Locke Mills to the Rebekah District Meeting in Buckfield and stayed for the banquet.

Elaine Hutchins, Stephanie Yates, Sunday River, and Pat Anderson, went to a Christian Seminar at Scarborough Saturday. This was sponsored by the Bible Speaks.

Saturday evening Mr. and Mrs. Ernest Angevine went to the 40th wedding reception of Jannette and Bud Lamson at Hanover Town Hall.

Mr. and Mrs. Ernest Angevine and Mr. and Mrs. Joe Shimamura and Jody were among those going to the Sunday River Sunrise Service. Have heard the service was lovely but the weather was very cold. Linda Howe and Tom Gibbs were also there.

Thursday Kathy McClusky of West Sumner visited her friend, Judy Coolidge and girls.

Mr. and Mrs. Ernest Angevine

Greenwood City

Mrs. Marian Chase, Corres.

Mrs. Eleanor Hutchinson and Douglas, Rockland, visited her mother, Mrs. Louie Coffin, over the week end.

Mr. and Mrs. Harold Wager are visiting their daughter, Mrs. Joyce Meir in New York State also relatives in Canada.

Mrs. Dorothy Chamberlin fell in her yard Friday and broke her ankle in two places.

Mrs. Lempi Cyr and Mrs. Eleanor Ryerson are on vacation from their work at Penley Corp.

Mr. and Mrs. Albert Penley Jr. and Doug and Ricky Chase went to the Shrine Circus on Saturday. Nestor Ruokolainen is on vacation for a week.

Winners in the Easter Egg Hunt sponsored by the Firemen's Auxiliary were: large Easter baskets for finding gold eggs - George Sweeney, Michelle Murch, and Mark Bartlett. Small Easter baskets for finding colored plastic eggs: Stacy Dean, Elizabeth Young, and Beth Hall. Chocolate bunnies: Darcy Robertson, Sharon Peron and Amy McCann.

Mr. and Mrs. Ronnie Lamb, Dover-Foxcroft, were week end guests of his parents, Mr. and Mrs. Sayward Lamb.

Roland Perham is a patient at Lodgeview Memorial Home.

Mrs. Georgia Cram and Alicia, South Paris, were dinner guests of Mr. and Mrs. Stanley Cram and Mrs. Arlene Farr, Easter Sunday.

Mr. and Mrs. Vance Bacon visited their daughter and son-in-law, Mr. and Mrs. Bob Bissette, St. Albans, Vt., over the week end.

had their son and wife, Dick and Sue and Sheri, Kristy and Timmy and daughter and husband, Judy and Victor Coolidge and girls for Easter dinner.

Chester Hayes of Shelburne, N. H., and Ethel Elliott of Coos County Nursing Home, Berlin, N. H., had dinner with Mr. and Mrs. Lester Butters.

Saturday Lorena Lessard of Berlin, N. H., visited the Butters.

Saturday, Tom and Ann Rotoff of Lewiston, visited her folks, Mr. and Mrs. Stan Brown for lunch.

Barbara MacDougall went to Berlin, N. H., with Joan Coolidge Wednesday.

This is spring vacation week so suspect some people will be visiting.

Jody Shimamura, son of Mr. and Mrs. Joe Shimamura, has been accepted at U. M. F.

The Sin of Omission
It isn't the things you do,
It's the things you leave undone,
Which gives you a bit of heartache
At the setting of the sun.
The tender word forgotten,
The letter you did not write,
The flower you might have sent,
Are your haunting hosts at night.
The alone you might have lifted
Out of a brother's way,
The bits of heartsome counsel
You were hurried too much to say.
The loving touch of the hand,
The gentle and winsome tone,
That you had no time or thought
for
With troubles enough of your own.
The little acts of kindness,
So easily out of mind,
Those chances to be helpful
Which everyone may find—
No, it's not the things you do,
It's the things you leave undone,
Which gives you the bit of heartache
At the setting of the sun.

CARD OF THANKS
I would like to thank all my special friends and relatives who baked food, ran errands, and did special things for my family while I was in the hospital and recuperating at home. Your kindness will always be remembered.

I attended the meeting of the OORT at the Universalist Church, Norway, on Saturday.

On Thursday, we visited Mr. and Mrs. Carl Brooks, West Paris.

Doris Hayes attended a banquet for the bowling team in Norway, Saturday.

I could look down on the pond where red-wings were calling musically, as they flew and settled on the bushes, with an unbroken sweep of country surrounding them on every side.

My trail ran east-west along the side of the shallow valley, a gentle hollow ringed with hills opening to the pond in the west. I admired the view. I considered the sun with as much satisfaction as if I myself had arranged its direction across the sky. I stood on a ledge and half-expected to soar into the empty blue sky, like the birds above me.

Then I moved on to where a wide hollow, running down hill was so slight that it was scarcely noticeable.

Again there was the view and although I have sat all over the hill-side, every time it's a new discovery. The least change of position alters the view in an astonishing fashion. Even twenty yards up hill or down changes the whole relationship of the hills and valley. This valley, viewed, would not have the particular version, which exists in my consciousness. Others can not see my view any more than I can see theirs. My eyes record it differently.

The slope was easy to walk on and so I enjoyed everything.

Now that the buds are breaking green, the trees stand out from the hill-side like a stereoscopic picture. How different from the crowned hills fringed with dark branches. The green was luminous filtering the sun through filmy layers.

I climbed higher then turned toward home.

Tonight, as I write this, it is a beautiful evening, calm and peaceful. The air is clear and dark with the stars beginning, and the sky seems like an open window into the blackness of night. The warmth of the day has streamed out into space for the chilled air is beginning to sink down the hills. I am glad to be at my desk enjoying the warmth of my home.

Even twenty yards up hill or down changes the whole relationship of the hills and valley. This valley, viewed, would not have the particular version, which exists in my consciousness. Others can not see my view any more than I can see theirs. My eyes record it differently.

The slope was easy to walk on and so I enjoyed everything.

Do You Want to Operate the Bethel Ambulance Service?

To the Citizens of the Town of Bethel

For the past six years to operate the Bethel Ambulance Service, but still hours a day, seven days a week, you have and still do, and sacrificing our time, who need us and are there have operated the service. The area we cover is 600 unit in order to serve you when our one ambulance is needed. We now have two ambulances, but these are the loudest if they needed. Thankfully that is not how it is time, YOU the citizen operating under.

The two ambulances first ambulance was brought in hasn't gone away with and still after six years or our equipment or a plane. One ambulance has been bought, but there is a second ambulance. The second ambulance, The se-Bus Garage.

All our equipment, is of the Fire Station, and room is not big enough to disaster, without any of our disaster if any emergency room. We cannot adequately hold any meetings, training that is offered to you, it means transporting equipment from the CEP room have to make two trips from back to the car. Not only not helping maintain our wear and tear on a private

We hold our meetings, if the firemen are not up place such as the Bethel St. in asking the people, to find our training.

For six years the town as is was not sufficient to classes, and store equipment that they were going to get found until about one month.

The facilities committed into the needs of the town posed that something be. Ambulance.

We don't feel we should ing is built. At town meeting to study adding on next town meeting. If before anything would be of what it would take to labor. We still feel the need build a permanent building.

The next item, we would pagers. We have three port-ambulances.

Our present system of 324-2456. When the Ambul-answers. There are five pagers. The CEP phone and one person answering the phone who then travel to the fire-attendants need to be called. The portable radios.

The Town Office answers 5 p. m. during the week week ends and holidays the live people on the line 5 p. m. to 8 a. m. and 3 How many of you must n answering the ambulance that you have to go somewhere. Those that are on duty cannot hear the phone if a teller. A bell could be put can be in. You have to be difficult to even go upstairs on the answering service to enough. How many of you are on duty or because.

We do not feel that of their private life, freedom like wedding a garden, et given up to do something.

By using the pagers a time. However not all work of call it was. With all goes out others will know call. There have been many used the pagers to get extra any other time. We also have.

If the BEARS do not there will not be enough an Ambulance Service.

Requirements to be an Advanced First Aid Course which is about six which is about 40 hours eight hours. Both of the f in oxygen and suction. (3) hours plus CPR. All of the practical test.

Requirements to stay Aid-24 hours refresher every 24 hours every three rescue every year, special training other places. At take a State written and Your instructors of w least two classes a week

Do You Want to Keep Your Ambulance Service?

To the Citizens of the Town of Bethel and surrounding areas:

For the past six years, the BEARS have furnished the personnel to operate the Bethel Ambulance Service. We have been very understaffed for years, but still have managed to offer you a coverage 24 hours a day, seven days a week, 365 days a year. In order to serve you, we have and still do spend unbelievable hours training, practicing and sacrificing our time. We take pride in being able to help those who need us and are there at all times to anyone who needs us. We have operated the service for almost six years with one ambulance. The area we cover is 600 square miles. We felt we needed a back up unit in order to serve you more effectively. There have been times when our one ambulance was on a run when a second one was needed. We now have two ambulances. There are many who don't believe we need two, but these same people are the ones who would holler the loudest if they needed the ambulance and it was not available. Thankfully that is not how the majority of the citizens feel. We feel it is time, YOU the citizens, we serve realize the situation we are operating under.

The two ambulances belong to the Town of Bethel. When the first ambulance was bought, there was no place to house it. The problem hasn't gone away with the years. Now there are two ambulances and still after six years we have no place to house the ambulances or our equipment or a place to have our training, meeting, classes, etc. One ambulance has been housed at the Bethel Fire Station since it was bought, but there isn't room for it there, let alone for the second ambulance. The second ambulance is stored in the S.A.D. 44 Bus Garage.

All our equipment, is stored in the CEP room in the basement of the Fire Station, and in cupboards in the small hallway. This room is not big enough to act as a CEP room in the event of a disaster, without any of our equipment being stored there. It would be a disaster if any emergency arose which would require the use of the room. We cannot adequately store our equipment there, let alone hold any meetings, training, etc. Therefore, we hold our first-aid class that is offered to you, the public in the local high school, which means transporting equipment and teaching materials twice a week from the CEP room to Telstar and back again. Sometimes we have to make two trips from the car to classroom and then two trips back to the car. Not only is it time consuming to move this but it is not helping maintain our equipment in the best of condition. It is wear and tear on a private vehicle which the town is not maintaining.

We hold our meetings, training, etc., upstairs in the fire station if the firemen are not using the station. If so, we find an alternate place such as the Bethel Savings Bank, etc. We therefore feel justified in asking the people, to find us a place to hold first-aid classes and do our training.

For six years the town officials have known that the fire station as is was not sufficient to house the ambulance, have training, hold classes, and store equipment. They have known for at least two years that they were going to get a second ambulance, yet a place was not found until about one month before the second ambulance arrived.

The facilities committee worked for two to three years looking into the needs of the town. In its presentation to the town they proposed that something be done about the inadequate situation of the Ambulance.

We don't feel we should wait another three years, until a building is built. At town meeting, it was voted to spend \$1,500 for an architect to study adding on to the fire station and bring it back at the next town meeting. If approved it would be still another two years before anything would be built. That \$1,500 could represent 15% of what it would take to build on to the Fire Station using volunteer labor. We still feel the people of our town aren't rich, and we could build a permanent building and save money.

The next item, we would like to discuss is the fact, we need 20 pagers. We have three portable radios of which two should be in the ambulances.

Our present system of alerting the Ambulance Service is to call 324-2456. When the Ambulance phones (plural) ring only one person answers. There are five private phones on the ambulance line, one on the CEP phone and one separate from the Town Office number. The person answering the phone then calls the attendants on the phone, who then travel to the fire station to respond to the call. If other attendants need to be called each one in town must be called by phone. The portable radios can only be used by two people at a time.

The Town Office answers the Ambulance phone from 8 a. m. to 5 p. m. during the week day when the Town Office is open. On week ends and holidays the ambulance phone is answered by one of the five people on the line. One of these five people have to be home 5 p. m. to 8 a. m. and all the time on the week end and holiday. How many of you must make a telephone call to see if someone is answering the ambulance phone or to let the person answering know that you have to go somewhere.

Those that are on duty must be reached by phone. Many people cannot hear the phone if they go outside, some cannot even go down cellar. A bell could be put on but still allows for a limited area you can be in. You have to be close enough to get to the phone. It is very difficult to even go upstairs to the store. You must call all people on the answering service then perhaps pick up a radio if one is close enough. How many of you have to stay home on a holiday because you are on duty or because you have to answer the ambulance phone. We do not feel that the attendants should give up a great deal of their private life, freedom of movement, and a chance to do things, like wedding a garden, etc. How many days at the beach have you given up to do something good for your town?

By using the pagers all attendants could be alerted at the same time. However not all would have to respond depending on what kind of call it was. With all persons being alerted when the first unit goes out others will know that they might be needed for a second call. There have been many times in the last year that we could have used the pagers to get extra help. We have fewer people now than at any other time. We also have had more calls each year.

If the BEARS do not get the 20 pagers that they have requested there will not be enough attendants this summer and you will not have an Ambulance Service.

Requirements to be an Ambulance Attendant are: (1) Take an Advanced First Aid Course which is about 52 hours plus a CPR course which is about six to eight hours. (2) First Responder Course which is about 40 hours plus a CPR Course which is about six to eight hours. Both of the foregoing have to have supplemental training in oxygen and suction. (3) EMT (Emergency Medical Technician) 100 hours plus CPR. All of the foregoing must take a State written and practical test.

Requirements to stay an ambulance attendant: Advanced First Aid—24 hours refresher every three years, CPR every year; First Responder—24 hours every three years, CPR every year; Everyone—Water rescue every year, special training sessions in squad, lectures and training other places. At the end of the two or three years they must take a State written and practical test.

Your instructors of which there are only two right now teach at least two classes a week from September to June. One other night

Sunday River

— Jeannine Fleet, Corres. —

Mr. and Mrs. Clifton Jackson were in town over the Easter holiday visiting relatives and friends.

There will be a planning board meeting at Julie Daye's on April 29 at 7:30 p. m.

Sed and Jean Strom of Strong called on the Ed Dayes Friday evening.

The Easter Bunny called on Benton Swan.

Nancy Kimball and girls, George Morin, visited Mary Morin over the week end.

Mr. and Mrs. Ed Daye called on Robert Bowen at the Maine Medical Center on Sunday.

Quite a change in weather. It feels like fall is just around the corner.

The schoolchildren started the spring vacation on Friday. A lot of bike riding and fishing this week.

They had a real nice turnout for the Easter services on top of Barker Mountain. They said it was a little cool but a real nice view. Also served a good breakfast at the lodge after the service.

Sent in by Eva Yates:

A fairly nice Tuesday morning, 25° above and first the sun shines then it clouds in and spits snow. What queer weather we do have. Easter Sunday dawned clear, cold, and windy. I wonder how many rode to the top of Barker Mountain for a sunrise service.

The Go-Shoes were still warm as they didn't get in Saturday night until 11 p. m. Two hours of much needed beauty sleep gone down the drain. We left 20 of 5 Saturday night, went to Bryant Pond

and got my maid Verna Swan and went to Bolsters Mills to supper and grange. The program was slides and a talk of the trip across the Atlantic by the man that made the trip in a sailboat in 28 days and 20 of those days were rainy ones. If you get a chance to hear him talk and see his slides don't miss it. When asked if at any time was he afraid—his reply was two or three hundred times. Now he is getting ready for another trip late this fall.

As the Go-Shoes were all warm we went to East Andover and joined 11 others for a nice turkey dinner with all the Easter trimmings at Bernard and Laura Hutchins. Those there were Mr. and Mrs. Gregory Adams and Robbie, Lucy Billings and Mandy Lyn, Preston Cobb, Viva Whitman, Wynona Wolf, Russell and yours truly, and the host and hostess, Oh yes Claudia Woolf was there too. What a feed and what a good time. After dinner Elden Yates called in so we all got to chat with Bub. All in all it was a very happy Easter.

Maude Harrington was a supper guest at her son Gerald's Wednesday night and visited the Yates a short time.

Our neighbors the Asher Rummels are back in their home after the big wind blow. Welcome back, Helen and Asher.

Helen Rummels was collecting for the Cancer fund one day last week. A newcomer on the river April 15 was a baby colt at Linda Harrington's. I haven't seen him but I know he is beautiful. All colts are.

A card from the B. H. Yates says they are enjoying themselves in Florida—but Maine he is calling them soon.

is spent preparing or teaching. Two nights a month are spent at meetings which have to do with the Ambulance. Other nights are spent helping other Ambulance groups in testing as others help us. Much time is spent in preparation and overseeing the whole operation. Many more hours are spent becoming an instructor and maintaining that.

Much time and effort has been put into the Service by the co-managers and instructors either by making sure that all is running well with the Ambulances, that all personnel are up to date on their training, that classes for the public are given. In the last three months one person has put in over 450 hours, the other has put in almost 200 hours.

How many of you people volunteer your services for your town. There are some people who volunteer six hours, some 12 hours, some 24 hours, and some who volunteer 36 hours a week, plus much more time if a call comes in and people have to go to help. Of the 16 full time attendants that we have over the last three months the hours put in on duty is as follows: 1 spent over 500 hours; 2 spent over 400 hours; 2 spent over 300 hours; 2 spent over 250 hours; 9 spent over 150 hours.

We have six other attendants: 2 are unable to be on at all; 1 has been unable to be on because of injury, is only now on with two others; 1 is not a full fledged attendant yet must go out with others; 1 is on only half a day a week; 1 is only on one 12 hour shift a month.

Having the pagers will not cost the town any extra money other than the purchase, as only the attendants that go in the ambulance get paid. If all 22 members showed up only the transporting crew in the ambulance will get paid, and it doesn't make any difference where we are in the area.

Do you know what the Ambulance Budget is or has been for the last four years. Do you know what Bethel's share has been? Since 1976 Bethel has been putting so much aside each year towards the purchase of a new ambulance. In 1978 and 1979 \$4,000 was put aside. In 1980 \$10,000 was put aside. Bethel also received a State Grant for around \$8,000.

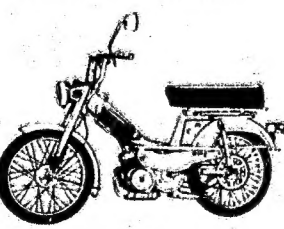

In 1976 \$8,672.33 was put into the ambulance account towards a new ambulance.

In 1980 approximately \$8,000 of the other sources of income was from the State Grant.

In the 1981 budget \$36,518.86 has been carried forward from the 1980 budget.

On Monday night, April 27, 1981, the BEARS will have yet another meeting with the Selectmen at which time proposals of the cost of fixing up a place for BEARS will be made. At this time it is hoped a date will be set for a special Town Meeting to determine if the people of Bethel buy the pagers for the Ambulance Personnel and what sum of money will be used to fix up a place for the BEARS to house equipment, have training, conduct classes and store both ambulances. Come and attend the meeting so that your town will be able to KEEP its Ambulance Service.

Telstar to Sponsor Project Graduation

On Wednesday, April 15, Superintendent Wayne Gersen met with C.A.D.E.T. members Penny Bean, Scott Angevine, Susan Gould, Gerry Deans, Mary Taylor and Phyllis Dock to initiate Project Graduation. A letter was drafted to send to all seniors' parents telling them about Project Graduation, and inviting them to a planning meeting to take place after vacation.

The committee is concerned with having a safe and sensible graduation and has adopted the statewide Project Graduation slogan — "Let Commencement be a beginning—not an end".

The text of the letter follows:

"April 15, 1981
C.A.D.E.T.
Telstar Regional High School
Bethel, Me. 04217

"To: Senior Class Parents
"C.A.D.E.T. would like the parents to know that we are working on a Project Graduation.

"Project Graduation will be an alternative party which would be C.A.D.E.T. sponsored. No alcohol or drugs will be allowed.

"We need ideas that you might come up with. We need a lot of volunteers for the evening.

"C.A.D.E.T. will be having a meeting for those who are interested. Parents and Students are both welcome. The meeting will be April 29, 1981 at 7:00-9:00, in the library.

"C.A.D.E.T. has a few ideas, but we need to come up with a plan that would make the evening a success.

"CADET is very concerned! We want this day to be remembered—not forgotten. Be wise and support us, we really need all kinds of support.

"Thank you,
"Concerned C.A.D.E.T. member

"C.A.D.E.T. members: David Walton, coordinator; Scott Angevine, Pauline Applin, Penny Bean, Warren Bouchard, Louise Chapman, Gerry Deans, Phyllis Dock, Susan Gould, Mary Taylor, Suzanne Taylor, Lindley Wieden, Rev. David Wuori."

The next C.A.D.E.T. public workshop will be held on Tuesday, May 5, from 7:00-9:00. The film "Soft Is the Heart of a Child" will be shown, and the affected family will be discussed. Try to join them and bring a friend.

CARD OF THANKS

Thanks to all of you who had kind thoughts, expressed or otherwise, for Althea and myself, during my recent stay in the hospital.

Sincerely,
Stan Brown

Without A Prayer

by Daniel E. Lambert
State Adjutant
The American Legion

This old soldier shed a tear at the passing of General of the Army Omar N. Bradley. The General was a grand soldier and a good fighting man but most of all he was the G.I.'s General. He will be buried with all the other heroes in Arlington National Cemetery near the Tomb of the Unknown. Recently when I was in Washington, this old soldier stood at the Tomb of the Unknowns and at the graves of John F. Kennedy, and Robert Kennedy, as well as another great hero of past days, General of the Armies John J. "Black Jack" Pershing of WWI fame. You get a feeling of the greatness of America when you stand in the presence of greatness. However, at the Tomb of the Unknowns, this disabled veteran was saddened by something which should not have happened. I take your time today to share it with you in the hopes that we can do something about it.

The news from Washington that audible prayers are no longer allowed at the Tomb of the Unknown Soldier in Arlington National Cemetery strikes us as outrageous... at first glance. The Army, which is responsible for the ceremonies and decorum at this national shrine, established this rule last year. Why?

A group representing a minority whose sexual preference practically guarantees wide news coverage requested permission to lay a wreath at the tomb. This permission was first denied by the Army but then granted under pressure from higher authority. Having won that battle, the group then used the ceremony to make a political statement in the guise of a prayer at the Tomb.

The incident infuriated many veterans of America's wars and many others who consider this national monument a tribute to their loved ones who gave their lives in these conflicts. What choices did the Army have? They were thwarted in their attempt to keep a group from using the Tomb as a political tool and publicity stage. And they were liberated for allowing freedom of expression at this memorial to American heroes.

The compromise decision was to stop all organizations from making audible prayers during wreath-laying ceremonies at the Tomb. Another example whereby a minority abuse of freedom and privilege, as provided by our constitution, has limited the freedom for the majority. We believe the Army acted responsibly. The priority in this case was to maintain the dignity of this national shrine, and not to allow it to become the political platform or catalyst for any group which cannot shoulder the responsibilities which are inherent in our precious freedoms... the very freedoms the veterans desecrated by their acts died to preserve.

The fault is with the higher authority in Washington at the time. The well meaning but gutless leaders who made a decision which kept them out of a public controversy at the time, but did not keep faith with millions of Americans who lie beneath the white crosses and tombstones of national cemeteries.

Let us hope that the current leadership in Washington has the courage to keep out those who would use Arlington for anything other than paying their respects to the fallen of all wars. Let us hope that the Reagan Administration will correct an injustice to all Americans.

So, my fellow Americans, take time out today to write to the President as well as your Congressman and Senators and urge them to help restore audible prayer to the shrine of freedom, the Tomb of the Unknowns. Speak up for America. Think about it!

REV. MOSER TO BE GUEST PREACHER ON APRIL 26 AT WEST PARISH CHURCH

Reverend Robert W. Moser, a retired U. S. Navy chaplain and a resident of West Bridgton, Maine, will be the guest preacher at the West Parish Congregational Church this coming Sunday, April 26. Reverend Moser was ordained in 1955 in the United Presbyterian Church after receiving his Master of Divinity degree from the Pittsburgh Theological Seminary. His career as a Navy chaplain began in 1955 with assignment to a Destroyer Escort Squadron in Newport, R. I.; he retired in 1975 after serving a four year tour in Scotland while chaplain for the Naval Security Group unit at Edzell. During the Vietnam conflict he was on board the carrier U. S. S. Valley Forge and had two tours of duty with U. S. Marine units on Okinawa and at Camp Lejeune, N. C. Reverend Moser has two children: one, a son, is an Assistant Professor at the University of Maine's Orono campus and the other, a daughter, is a senior at UMO.

The Week in Washington

by Sen. George J. Mitchell

Acid Rain
Maine's waterways, fish and wildlife are facing a potentially serious threat from acid rain. Levels of acidity in Maine's lakes has increased eight-fold in the past forty years. As Senator from Maine, I am deeply concerned over this phenomenon.

Last week, I chaired a hearing in Augusta of the Senate Environment and Public Works Committee, on the issue of acid rain. This hearing was the third in a series of hearings on air pollution issues held by the Committee, as we begin our review of the Clean Air Act.

There is no question that acid rain and its effect must be one of the focal issues we must consider as we review the clean air act.

There are several causes for concern. First, some drastic environmental damage from acid rain has already been documented. As I mentioned earlier, Maine's lakes have had frightening increases in acidity levels. In New York State, more than 170 lakes and ponds no longer support life. Forest growth in Sweden may have been retarded as a result of acid rain.

Second, despite alarming initial indications that acid rain adversely affects our natural resources, we are embarking on a national program of increased use of coal, whose uncontrolled burning is a principal source of acid rain.

Third, acid rain generated in the United States and exported to Canada is severely straining U. S.-Canadian relations. We are neighbors and friends and we want to maintain good relations with Canada. But unless the United States reduces its large contributions to Canadian acid rain levels, the historic relationship between Maine and the Canadian provinces may be sorely tested, by a problem for which the people of Maine are not responsible.

Acid rain is not just an environmental problem for the people of Maine—it is an economic one. Our state is the most heavily forested in the union, with about 90% of the state covered by forests. Our wood resources are without question the single most important component of our economy.

If acid rain does in fact retard forest growth, it could have a profound effect on Maine's economy.

Unfortunately, Maine cannot solve the acid rain problem alone. A large portion of the acid rain that ultimately falls in New England originates in the Midwest, as sulfur and nitrogen emissions from industrial facilities in Ohio, Illinois, Indiana and Pennsylvania. It is transported thousands of miles before falling as acid precipitation in Maine. No matter how stringently our local industries control their pollution emissions, acid rain levels in Maine will increase unless emissions are controlled at the source.

There, the problem of acid rain can only be properly addressed at the national level. The Clean Air Act is currently premised upon the assumption that healthy air will be achieved if each state controls its own pollution. It contains no mechanism for dealing with regional air pollution.

As a member of both the Senate Environment and Public Works Committee, and its Subcommittee on Environmental Pollution, I will work hard to keep the acid rain problem at the forefront of the Clean Air Act debate.

SOLAR FACTS

by Robert E. Lewis

Isolated-Gain Passive Heating
Previous Solar Facts columns have discussed direct-gain and indirect-gain systems for passive solar heating. This week's column will discuss a third approach to passive heating—the isolated-gain system.

Isolated-gain systems are so named because solar radiation enters a collector space that is physically isolated from the area to be heated. This isolation provides two major advantages: (1) heat does not have to be drawn from the system unless it is needed, and (2) a building itself does not have to be facing south in order to take advantage of the sun's rays.

Isolated-gain systems work on the principle that warm air rises and cold air falls, although many systems use simple fans to enhance natural movement of air. In every case an isolated-gain system has two major components—a flatplate solar collector and a heat storage area.

The collector space is usually a subterranean area covered by south-facing glass, with a dark metal absorption plate behind the glass.

As the sun's rays enter the collector space, the heat is absorbed by the plate, and the air above the collector plate is warmed. This

METHODIST SUNDAY SCHOOL CANCELED APRIL 26

The United Methodist Sunday School classes will not be meeting Sunday, April 26, but will resume at the usual time, May 3.

warmed air flows upward into a rockbed storage area located underneath the interior living space of the building. Here, the heat is stored and can be drawn for interior use through the control of floor registers.

Most isolated-gain systems also include return-air ducts. As the warmed air rises into a room through the floor registers, the cooler air in the room sinks into the return ducts placed near floor level. This cooler air is directed back down into the collector space, where the heating process begins anew. Because of this looping movement of air, isolated-gain systems are often referred to as convective loop systems.

As mentioned previously, isolated-gain systems are extremely useful for buildings with limited or no southern exposure, since only the isolated collector need face south.

In addition, convective loop systems can be used to heat water instead of air, and often used for solar hot water-heating systems, which will be discussed in a later column.

To learn more about isolated-gain systems, send a stamped, self-addressed envelope to: Robert E. Lewis, (#10-A) P. O. Box 3680, Grand Central Station, New York, N. Y. 10017.

GUEST OF HONOR—An Easter Rabbit, pictured above with the children, was guest of honor at Mrs. Linda Bouchard's nursery school's Easter Party last Friday morning. Children present were: Amanda Gilbert, Sarah Cohen, Danny Barker, Gabriel Perkins, Sadie Gallant, Heather McLeod, Hannah Gersen, Emily Fant, Jill Olson, and Alexandra Gillies.

Augusta Viewpoint

by William L. Garsoe

Two legislative weeks have been shortened to afford Legislators a well deserved long Easter weekend. Members will not return until Tuesday following the Holiday and will not have floor sessions on Wednesday, Thursday or Friday in order to conduct double sessions of public hearings on those days. This action is needed because, with less than 30 legislative days left, the odds are against completing the remaining business in the time available.

The practice of holding public hearings and not having floor sessions is actually cheating on the 100 day limit set by status. The only days that are counted against the hundred days are those on which the House and Senate meet in formal session to do business. These are called legislative days. It used to be the practice that members expenses could only be paid on legislative days but with that restriction brushed aside the door is open to any number of such "extensions".

Even with such extensions it is beginning to look more and more as though the highway issue will not be resolved before the session ends. There may be a patchwork highway budget worked up but the long range plan, so desperately needed, will not be in place by June first when this session is due to end, barring too many more extensions.

The prime reason for such a calamity, if it comes to pass, will be the Governor's intransigence in the matter of funding. He has proposed another mish-mash of fee increases and, despite his off-repeated promise a tax increase. He additionally proposed to appropriate fifteen million from the General Fund which is sorely pressed this year to avoid its own deficit. His own party members on the Appropriations Committee slugged that idea early on in the session. Yet, the Governor has not seen fit to meet the Committee half way to work out a solution. He insists that

NORDIC SKI AND OUTING CLUB

The Nordic Ski and Outing Club met recently for a work party and planning session that was topped off with a cook out. Many enjoyed their first barbecue of the season.

In meeting, a summer schedule of activities was developed. The earliest outing planned will be in mid-May and is a day canoe trip and picnic on the Saco River, guided by the Warren Hastings and the Tim Carters. Watch the next "Citizen" for details.

Other outings scheduled are: a week end camping trip to Small Point on Memorial week end; a hike up Blueberry Ridge/Evans Notch, White Mountain Forest, Sunday, June 14 (June 21, rain date); booths at Mollycoddet Day in July and Indian Raid Bicentennial in August; and a hike up Caribou Mt./Evans Notch, White Mountain National Forest, Sunday, Aug. 9 (Aug. 16, rain date).

All of the club's activities are open to the public. No formal application is required! If you enjoy good family-oriented outings with a group please join them for any, or all of the activities. Watch "The Citizen" for details of each activity or call Don Angevine at 824-3343 or Anita Remington at 824-3369.

he has made a proposal and seems entranced with the saying "The ball is in your court".

The Governor is not showing a responsible attitude in this regard. He of all people, having served in the Legislature, should be aware of the need to consult and cooperate with the Committees of the Legislature which are honestly trying to work out a plan of action.

The trouble is: our highways will tolerate this kind of neglect for a few years then a job that could have been done for ten thousand when first discovered requires one hundred thousand to set to rights.

WALKING WITH JESUS CHRIST

The World has many thoughts and definitions of a Christian—it cannot come to a true description for it knows nothing of the works of the Holy Spirit—who alone reveals the truths of God to whom He wills as He Pleases.

The libraries of the world contain volumes wherein are presented the thoughts—analyses—arguments of religion—creative imaginations—you name it. Universities have much of the greatest intelligentsia ever, pondering the meaning of life and expounding the myth of evolution to the World.

But, praise the Lord—He still has "His own" in the great places of learning that adhere to His Word, the Holy Bible.

Isn't it just wonderful that God's "Book" stands "alone"—triumphant, while the ravings of Freud, Nietzsche, Karl Marx—etc. topple over into disarray when confronted by the Bible.

Just think of it—the Bible contains the knowledge all the World seeks. It is complete in things of the past—tied into the events of today and those to happen tomorrow. It is the only Book that is alive—it really lives. A great many things have happened to it—but, it is still here to bless its reader if that person truly desires to "know" God or already does.

the Bible regarding knowledge and wisdom: "—For, your heavenly Father knoweth that ye have need of these things—But seek ye first the kingdom of God, and his righteousness, and all these things shall be added unto you—Ask and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you." Matt. 6:7. "The fear of the Lord is the beginning of Wisdom." Ps. 111:10.

"To know wisdom and instruction; to perceive the words of understanding"—but fools despise wisdom and discipline" vs. 7—"for" wisdom (that) descendeth not from above is earthly, sensual, demonic—from where envying and strife are, there is confusion and every evil work. But the wisdom that is from above is first pure, then peaceable, gentle and easy to be entreated, full of mercy and good fruits, without partiality and without hypocrisy." James 3:15-17.

officials in order that field work can be done to further define this strip of land.

The Board met in special session Monday evening, April 20, in the meeting room at the Bethel Savings Bank. The Board signed a MDOT construction area agreement for the planned paving project on Route #2 between the Lovers Lane and the Bog Road in Gilead and re-appointed John T. Grover and Norman Ness as Commissioners to the Androscoggin Valley Regional Planning Commission. The remainder of the meeting was spent reviewing concerns of the ambulance service. The Manager reported that he had discussed with Dr. Wayne Gersen, superintendent of schools, possibilities for additional space at the S. A. D. #44 garage and the Selectmen together with several Ambulance Service members visited the bus garage to review this potential space and discuss its possible use with Dr. Gersen. Following this visit, the group returned to the Savings Bank for the remainder of the meeting.

There was considerable discussion about this space by members of the Board and members of the ambulance service. Following discussion, the Board directed the Manager to develop a cost estimate for minor renovations necessary to make the space usable by the ambulance service and to make a report to the Board at their meeting April 27.

The purchase of papers for the ambulance service was discussed with the Manager indicating that the 1981 budget, as approved, contained funds for the purchase of 10 units. The ambulance service has requested a total of 20 units which would mean that an additional \$3,000 would be necessary to allow the purchase of all 20 units. The Selectmen voted that at their April 27 meeting, they would set a date for a special town meeting to let the citizens consider the purchase.

The Selectmen will meet in regular session Monday evening, April 27, at 7 p. m. in the meeting

M. S. A. D. #44 SPELLING BEE HELD MARCH 19

On March 19, the M. S. A. D. #44 District Spelling Bee was held at the Telstar Auditorium. This competition was held to determine who would represent the District in the Oxford County Finals at South Paris on April 2.

Five competitors from each of the sixth, seventh and eighth grade levels participated. Students had previously been chosen in class spell-downs.

Those representing the eighth grade were Tammy Poland, Brent Bachelder, Justine Nelson, Sarah Putnam and James Grover. Jay Davis, Elyana Tate, Angela Herick, Tanya Foster and Kandi Roberts were the grade seven participants. The sixth graders were Karen Gould, Pammi Morgan, Derek Dresser, all from Telstar. The Andover sixth grade was represented by Linda Learned and the Woodstock sixth grader was Kimberly Axtell.

Sarah Putnam, daughter of Mr. and Mrs. Norman A. Putnam of Bethel, and an eighth grader, was the winner. The eighth grade also produced the runner-up, Brent Bachelder, son of Mr. and Mrs. Reginald Bachelder of Newry.

Sarah has since competed in the Oxford County Finals held at South Paris on April 2 where she placed fourth.

NEWS FROM ADULT AND COMMUNITY EDUCATION

M. S. A. D. #44

The Winter/Spring term in the S. A. D. #44 Adult and Community Education program is concluding with the final meetings of many of the shorter courses, and plans in progress for several special events. Several of the courses have concluded with highlights of one sort or another. The Karate class topped off their final class with a swim in the pool belonging to a class member, while the Foods Laboratory met at the home of a class member for a banquet. The film series will conclude with a showing of the classic film, Modern Times, with Charles Chaplin. This film will be held at the Moses Mason House on April 29. The students in the Computer course are all hard at work on individual programs for the computer.

Everyone connected with the Adult and Community Education program will be invited to enjoy the finale of the term with the traditional potluck supper, set for the Telstar Cafeteria, Tuesday, May 12, at 6 p. m. The supper has been held for the past two terms and has grown, both in the numbers attending and in the reputation of culinary excellence. This year, a Learning Fair will be held in conjunction with the supper. The Telstar gym will be devoted to a celebration of the learning which has taken place during the past term, and to the potential for future learning. Classes from the Adult and Community Education program will exhibit their products, demonstrations will be in progress by many of the teachers and students from the program. Slides taken of the Winter/Spring classes will be shown continuously. The Fair will be open following the supper and all are welcome to attend, whether or not they have been involved with the Adult and Community Education program during the current term.

Reminder: The University of Maine-Augusta, Lewiston / Auburn Center will conduct an Information Day at the Moses Mason House on Saturday, May 2 from 8:45 until 1. Free diagnostic tests will be administered and information on college programs will be provided. If interested, call the Adult and Community Education office, 824-2136.

Newry

— Miss Amy Hanscom, Corres. —

Because of high winds the Sunrise service was held at the Newry Community Church Sunday morning, instead of at Mother Walker Falls as planned. This was followed by Easter Breakfast at the home of Mr. and Mrs. F. Owen Wight. Services were held at the church at the regular time, 9 a. m., also, with the Scripture taken from Luke 24 1-12. The title of the sermon was The Good Shepherd. Special music was furnished by Nancy, Stephanie and Christopher Hanscom and Wendy Davis. Baptismal services were held for Emily Sue Morton, daughter of Mr. and Mrs. Harry Morton.

The annual business meeting of the Union Religious Society of the Newry Community Church will be held at the church April 27, at 7 p. m.

The Newry Ladies Group of the Extension met April 15 at the home of Doris Fraser, with Edna York, leader. The subject was "Deal with Death", with eight members present. Refreshments were served. The next meeting will be May 20. The members will eat out.

Newly elected officers for the Windy Valleys Snowmobile Club are: President, A. Lee Swan; Vice President, Malcolm Gross; Treasurer, June Swan; Secretary, Sylvia Harrington.

Officers elected at the recent meeting of the Ladies Circle were: President, June Swan; Vice President, Rae Bartholomew; Secretary and Treasurer, Eleanor Morton, Stephen Wight, Marlene Sjogrin, Jason and Jenny, Orono, were week end guests of Mr. and Mrs. Willard Wight. Jason and Jenny remained for a few days.

Gretchen Wight was in Portland last week. She spent the week end in Orono.

Mr. and Mrs. Willard Wight and June Swan attended the Oxford County Municipal Officers meeting in Sumner last week.

Mr. and Mrs. Verne Glover, Hollis, spent the week end at their trailer.

Mr. and Mrs. Eric Glover, Benjamin and Erica, Rumford; Mrs. Bernice Glover and Mrs. Mary Thurston, Andover, visited them Sunday.

Callers on Amy and Roger Hanscom during the week end were Mr. and Mrs. Verne Glover, Hollis; and Mr. and Mrs. Eric Glover, Benjamin and Erica, Rumford. Jeff Childs showed slides and spoke on climbing (equipment used, etc.) the Himalayas at the Windy Valleys Snowmobile Club meeting, April 16.

Callers on Mrs. Mary Tripp during the week end were Mrs. Suzanne Hayner, Glastonbury, Conn., Mr. and Mrs. Samuel Ridlon, Bridgton, and Mr. and Mrs. Peter Baker and family, Hanover. Congratulations to Alan Korhonen.

Sunday dinner guests at the home of Freda Robertson were Paul Krohonen, Lisbon; Mr. and Mrs. Ralph Thurston, Rumford Point; Ralph Thurston, Portland; Mrs. Annie Thurston, Mexico; Mr. and Mrs. Stanley Moore and family, Bethel; Mr. and Mrs. Philip Korhonen and family, Robert Duran, Newry.

Mr. and Mrs. Larry Cummings and children, Madison, spent Sunday with Mrs. Louise Learned. Sarah Stayed for a few days' visit. Recent callers at the Learned home have been Mr. and Mrs. George Olson Sr., Mrs. George Olson Jr., Gene Morgan, Bethel; Mr. and Mrs. LeRoy Learned, Newry.

TUPPERWARE PARTY

Tuesday, April 14, Janice Bailey hosted a Tupperware party at the home of Honey Bailey. Guests included Joyce Bennett, Carole Bennett, Carolyn Bennett, Miriam York, Edna Cole, Honey Bailey, and new dealer, Niki Bailey. North Paris

— Eveline Barrett, Corres. —

Easter Sunday and the Passover was a beautiful day but at times the breeze was cool. I went out but did not join the Easter Parade.

Schools and students are on vacation this week.

Richard Bean, Harlan and James Abbott, Joe Vatcher, attended the Sportsman's Show at Augusta, April 18, and they learned of a new business on High Street, in West Paris. It was a dura-pack made of aluminum strips, one inch wide, and held together by several dozen pop rivets. It is a boon to trappers and rock-hounds. A nice smooth-looking basket and durable, also rust-proof.

Mr. and Mrs. David Broberg and children have returned from a vacation in Florida and found their home had been broken into in their absence.

Mrs. Alice Goff, Arlene and JoAnne Abbott and a girl friend, Rumford, called on the Lawrences, Everett Barrett, Sunday.

The smelts are running and we have had several fish parties. Sure are delicious.

"Root" and Doris Lawrence joined Mrs. Agnes Coffin, Milton, and her family for supper, Easter Sunday.

Mrs. George Sweeney and daughters, Mrs. Herbert Eldridge and daughter are visiting relatives in Massachusetts for a few days during school vacation.

South Woodstock

— Olive Davis, Corres. —

Mr. and Mrs. Gordon Dillingham and son, Craig, left on Friday for West Warwick, R. I., where they spent the week end visiting with family and friends. They returned home Sunday evening.

Craig Moore spent the week end with his brother, Scot Moore, and Linnet, while his parents attended the ham festival at the La Parreux Club in Rumford.

Carl and Lettie Brooks, Olive Davis, Lyndell Farr, and Richard Felt attended Pleasant Pond three point meeting of the Grange Wednesday night, April 15. Others from Franklin Grange were Mr. and Mrs. Harris Hathaway, Mr. and Mrs. Dan Axtell and children. More would have attended but were sick.

Lettie Brooks, Olive Davis and Colista Morgan attended the Retired Teachers meeting at Norway Saturday.

Thursday afternoon from 2 to 4 Lodgeview nursing home had an Easter hat parade. The judges were Carl and Lettie Brooks, Barbara Magoon, Lenny Biller and Olive Davis. Muriel Young had the funniest hat; Alma Whitman the prettiest, second prettiest was Margie Lowe; Marjorie Rich, most unusual, and George Knight won the men's contest. Happy birthday was sung to the ones having them in the month of April. Refreshments of ice cream, birthday cake and punch was served.

Esther Davis is home from Florida. She called on me Monday. She is with Patsy Tibbets this week.

Vacation for the school children is welcomed rest for them. The weather is rather stubborn this week. The prognosticators have tried hard for sunny days but we have had showers, snow flurries and only a little sunshine so far and wind.

ELEANOR GORDON GUILD

The Eleanor Gordon Guild met at the home of Eleanor Parsons at Songo Pond on Wednesday, April 15. Barbara Miller was co-hostess. Judy Barker read devotions. It was decided to have the annual Mother-Daughter banquet Wednesday, May 6, at Sunday River Inn. Each member is to bring a gift for the game. Judy Barker led the group in making paper flowers. Delicious refreshments were served by the hostess.

Mr. and Mrs. Jesse Doyen were overnight visitors last Friday of their daughter and husband, Mr. and Mrs. Hugh Awall in Augusta. They also spent a few days the first of this week with her sister and husband, Mr. and Mrs. Marsters York in Williamstown, Vt.

Mr. and Mrs. Dave Salway, Kasi and Brandon, and Mrs. Alice Kimball, enjoyed Easter Sunday dinner and afternoon with the Herb Adams family at The Cape in Otisfield with the Bean family.

Mr. and Mrs. Paul Halle, Stephanie and Gregory, of Lisbon Falls, were Monday night supper guests of the William Bancrofts.

Mrs. Buzzie Lapham and Timmie spent Easter Monday with Mrs. Muriel Kimball in South Waterford.

It's good to see the ducks and loons back on the pond and other summer birds back.

The pond looks more like a river today with the white caps, and waves breaking on the shores.

Holiday visitors of the Pat Greniers were Mr. and Mrs. Dennis Grenier of West Milan, N. H., and Sunday night, Mr. and Mrs. Reggie Westleigh.

Mrs. Norma Salway drove me to Dixfield Monday afternoon to see the doctor and we also called on the Swans in Rumford.

"Behind every shadow there is always the sun."

SCENES OF VANDALISM in the Hastings area of the Evans Notch Ranger District.

NOTES FROM

Evans Notch

White Mountain National Forest

Assistant Ranger, Dennis Kanten, has been promoted and will be assuming his new position on Harrisville Ranger District of the Huron-Manistee Forest at Harrisville, Mich. Dennis arrived on the Evans Notch Ranger District in December of 1976. Prior to his arrival in Maine, Dennis served as a recreation assistant and trainee forester at Two Harbors, Minn. He was graduated from the College of Forestry, University of Minnesota in 1972, followed by a year's appointment as a research assistant at the college. During the last 4½ years, Dennis saw considerable increases in his areas of responsibility. The Youth Conservation Corps program expanded from a nonexistent program to an eight week summer session employing 40 young people from Maine, New Hampshire and Massachusetts. 90% of the permanent Bog Brook YCC Camp facilities were completed under his direction. Substantial increases also occurred in the timber management and wild life programs with the timber management program doubling in size and the wildlife program going from nonexistent to one of substantial habitat improvement work year accomplished each year. Dennis' greatest satisfaction while serving as the timber management assistant here has been to be involved with the growth and development of these programs, implementing them with a high degree of professionalism. Both the Forest Service and the community at West Bethel where Dennis, his wife Diane, and daughters Tracy and Kelly live, will miss them. Dennis and his family will be leaving on May 18. A replacement has not yet been named.

JAMES W. BARNETT

James W. Barnett of Errol, N. H., died Tuesday evening, April 21, 1981, at the Androscoggin Valley Hospital in Berlin.

He was born in Upton, on Jan. 15, 1915, the son of Ben and Lila McLeod Barnett. He had lived in Errol since 1938. Prior to his retirement in 1973, Mr. Barnett owned and operated Barnett's Store and was postmaster in Errol. He was vice president and a director of the First Colebrook Bank, and a director of the White Mountain Regional Association. He was a member of the Evening Star Lodge F and AM; the North Star Lodge of Perfection of Lancaster; the Washington Council, Princes of Jerusalem; the Littleton Chapter of Rose Croix; and the New Hampshire Consistory of Nashua. He was also a member of the George L. O'Neill Post, American Legion of Colebrook.

He is survived by his widow, Barbara Akers Barnett of Errol; a son, Brett, of Berlin; a daughter, Mrs. Terry (Christine) Rhodrick of Berlin; four grandchildren; two brothers, Malcolm Barnett and Lee Barnett, both of Errol; five sisters, Mrs. Katherine Wight of Errol, Mrs. Muriel McKercher of Fairfield, Conn.; Mrs. Sylvia Wight of Newry; Mrs. Pearl Weston of Mexico and Mrs. Phyllis Young, South Rumbold.

Funeral services will be held Friday, April 24 at 11 a. m. at the Errol Church with interment in Errol Village Cemetery.

EXPLORING FOREIGN MARKET

continued from Page One
producing lumber products from oak, ash, maple, birch, and pine for furniture manufacturers, will be represented by its Plant Manager, Donald A. Stecher.

"This mission will enable the participating New England lumber producers to explore new markets while offering buyers an alternative source of quality hardwoods and softwoods," explained Paul Randall, NERCOM's Director of International Trade and organizer of the mission.

The Commission's International Trade Program was established to assist manufacturers who lack either the international marketing experience or the financial resources to develop markets for their products overseas. It is run in cooperation with the Maine State Development Office, the International Trade Programs of the other five New England States, and the U. S. Department of Commerce. Wanda Evans, Project Coordinator of the Maine State Development Office, was a member of the Advisory Committee that laid plans for this export event.

B.E.A.R.S., Inc.

(Bethel Emergency Ambulance & Rescue Service, Inc.)

The future service of the Bethel Ambulance Service depends on YOU! We have met with the Town Selectmen and given them our two requests. Twenty pagers, and a place to store our equipment, hold training and classes. Unless these two requests are met, we will be unable to continue to serve you. This does not mean a few people will be unable to continue, BUT means there will be NO ONE to continue. We cannot go on being tied to a telephone. Someone has to be home to answer the ambulance phone, plus the crew on duty has to stand by their phone. Even with an outside bell, outside activities are limited. Some can't hear the phone from their cellar, others can't go upstairs, in general there's not much you can do while on duty. It's unfair to ask the few people who operate the ambulance service to be so generous of their time considering they are already dedicating much of their time to serve you, trying to make the area we serve a better and safer place to live. Think it over—if you care—let it be known.

Safety Tip of the Week

MARJORIE M. ELLINGWOOD

Mrs. Marjorie M. Ellingwood died Monday, April 20, 1981, at the Ledgeview Nursing Home, West Paris, where she had been cared for since June 7, 1978.

She was born at South Paris, Sept. 10, 1886, the daughter of Frank and Mary Lurvey McKenney. She graduated from Paris High School in the class of 1904, and attended Farmington Normal School for a year. She taught school at the Tubbs District in Greenwood for a short time prior to her marriage to Vernon Ellingwood on Dec. 31, 1907. He died Oct. 11, 1970. The couple had formerly lived in Kittery and Auburn. In 1965 they moved from West Paris to Dixfield.

Mrs. Ellingwood was a member of the West Paris Universalist Church, the Eleanor B. Forbes Class, a former member of West Paris Grange, Oxford Pomona Grange and the State Grange, and a former member and past noble grand of Onward Rebekah Lodge of West Paris.

Survivors include two sons, Stanley F. of Rangeley and Irving V. of Dixfield; a grandson, and two great-grandchildren.

Funeral services were held on Wednesday morning at the I. W. Andrews and Son funeral home, South Woodstock. Interment was at the Mt. Auburn Cemetery, Auburn.

WORKSHOP TO BE HELD ON OCCUPATIONAL HAZARDS OF ARTISTS AND CRAFTSPEOPLE

A one-day seminar on the occupational hazards affecting artists and craftspeople as well as teachers, hobbyists and students in arts and crafts will be held May 9 at Luther Bonney Auditorium at the University of Southern Maine. Sponsors include the University of Maine at Orono's Achieving Safety and Health on the Job, the State Employment and Training Council, Maine Commission on the Arts and Humanities, Portland School of Art and the USM art department. Pre-registration may be made with Gail Halfkenny, Bureau of Labor Education, UMO, 128 College Avenue, Orono. There is no charge for the workshop.

OVER 30% OF DRUNK DRIVERS ARE IN 20-24 AGE GROUP

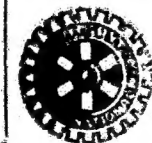

People in their early 20's who comprise only 11% of Maine's licensed drivers, were the worst offenders last year in drunk driver statistics. Of the 7900 people arrested for Operating Under the Influence in 1980 and tested for blood alcohol content, 20-24 year olds accounted for 30%.

These figures were quoted today in a statement by Chairman Lee Allen of the Maine Highway Safety Committee. "The next highest group was aged 25-29 years and accounted for 18% of those tested," Mrs. Allen said. "16-19 year olds, all under the legal drinking age, made up slightly more than 10% of the tested group; in all, 890 of them were arrested."

"Over 1600 people who were arrested refused to take the blood alcohol test, which means that their operator's license was immediately suspended for at least 90 days," she continued.

"The largest group, almost 3000, showed readings ranging between .15 and .19% alcohol, a level where most people are severely impaired," Mrs. Allen said, "and 160 had readings of .30 and over, very close to unconsciousness."

"Every year when I see this report I shudder to thank of all those

It is time for gun-wielding criminals to know that we mean business.

The recent wounding of President Reagan and earlier slayings of Washington cardiologist Michael Halberstam and rock star John Lennon have returned a familiar dilemma—violent crime—to the nation's attention. But political leaders and celebrities are not alone in their fear of criminals with guns. As many as 20,000 Americans from all walks of life died last year at the point of a gun.

These senseless killings can be tolerated no longer. The daily roll call of gunshot victims is a national disgrace. But how can we attack this overwhelming problem?

I cannot agree that gun control is the answer. More than 55 million handguns are stashed in homes, glove compartments, pockets and purses in the United States, and it is difficult to comprehend how an effective, meaningful gun-control policy could be implemented without leaving the guns only in the hands of the people we least want to have them—the criminals.

It is imperative, then, that we find another solution. My proposal, which I introduced in Congress last week, would establish mandatory prison sentences for criminals who use guns in the commission of a crime.

The bill would require judges to add five years to the sentence imposed on a criminal for the commission of a crime with a gun. Second offenders would receive an additional ten-year sentence. Probation or parole would not be granted on the mandatory sentences, and suspension of the mandatory sentences would not be allowed. The sentences would not run concurrently with sentences for commission of the crimes. Carrying a firearm during the commission of a crime also would be punishable.

By establishing mandatory sentences, and by directing the courts to enforce them uniformly, we can ensure that criminals using handguns are properly punished. Also,

STUDDERED TIRES BANNED ON MAINE ROADS AFTER MAY 1

Motorists are advised that state law prohibits the use of studded tires on Maine roads after May 1.

"Section 1375 of the motor vehicle law states that tires having metal studs, wires or spikes protruding through the tread cannot be used on any public road after the first day of May to the first day of October," said Col. Allan H. Weeks, chief of the Maine State Police.

The Maine Department of Transportation (MDOT) may extend the lawful use of studded tires, with such notice originating from MDOT officials.

The state police chief said the law does not prohibit the use of tire chains when required for safety because of snow, ice or other conditions tending to cause a vehicle to slide or skid.

We can expect that those contemplating such acts would think twice about a mandatory jail term.

If we can't remove handguns from our lives, then we must remove those who use them illegally.

Triumph in Space: The magnificent flight of the space shuttle "Columbia" last week provided another lift to the American spirit in a year that has turned into an emotional roller-coaster.

After the unlift of the hostages' return and the depression of the attack on the president, Americans again received a perceptible boost from the spectacle of an unprecedented technological achievement. Our spirits went up as "Columbia" roared away from the Florida salt marshes. But as the shuttle swooped down onto the Mojave Desert and thus became the first reusable spaceship, our elation did not fall with the incredible craft. Instead, it rose further.

Twenty years of unmatched success in space exploration may have lulled some Americans into nonchalance about the mission of "Columbia," but the shuttle's performance was anything but routine. Never before had mankind attempted to land an earth-orbiting vehicle like a routine jetliner. Never before had a craft returned to earth with the intention of turning it around and sending it back up, as will be done with "Columbia" in the months ahead. A new era in space travel has begun, and Americans have begun it.

If the conquest of space is indeed mankind's last great challenge, then "Columbia" has taken us one step further toward meeting that test. The shuttle's trip became a flight of inspiration for all of us.

Directors' Meeting

A regular meeting of the A. D. #44 board of directors was held Monday evening in the library at Telstar High School.

Dr. Wayne Gersen, president, reported that dues in Title I funding figures in that program reduced by 25% in fiscal year. He also stated that three more PET 16K computers purchased and will be in the classrooms also by the fall of 1981. Plans to use them in the Adult program.

Dr. Gersen also said that the State will not complete deliberations on school funding until mid-May making the earliest date for the annual District Meeting in mid- or late September also not order to avoid returning on Monday, June 22, for a make-up day, consisting of given to scheduled on a Saturday, probably May or early June.

The directors appointed Yates, Jr., as a 52-week member. Mr. Yates takes the Robert Hutchins who resigned late March.
